TO THE NOMINATOR:

The purpose of this scholarship fund is to support people who show a demonstrated interest in Weehawken Dance and, due to their economic circumstances, are unable to pay program tuition or fees (and in some instances – even purchase basic materials to take these classes such as leotards and shoes). We take great pride in this scholarship opportunity made possible through the generous support of Mountain Market. Furthermore, we are exceptionally proud of the talented scholarship recipients who have contributed to and benefited from our programs over the years. This year, Weehawken will again provide a number of scholarships to students who would otherwise be unable to attend our programs, upon the advice of “experts” who nominate candidates who truly demonstrate a need. Please answer the following questions about the nominee. Use additional sheets of paper as necessary. We are grateful for your full and frank assistance.
